### FARE CONDITIONS

#### Saver Change Senior fare

**General:** Subject to availability, you can change sailings, provided you advise us prior to your final check-in time. No refunds or changes are allowed after your final check-in time.

Saver Change Fares incur a 50% cancellation penalty. Amendments which result in a difference in fares will be refunded, subject to a 50% penalty of that difference. An additional fare may be charged, depending on availability.

If you upgrade your fare, an additional payment will be required.

Following a change to your booking, you will be bound by the conditions relating to the cheaper fare. For example, if you upgrade to an Easy Change Fare, you will retain the conditions of your original Saver Change fare type.

### GETTING TO AND FROM THE TERMINALS

#### WELLINGTON TERMINAL

##### Shuttle Bus

A free shuttle bus departs from Platform 9 at Wellington Railway Station 50 minutes before each sailing between the hours of 8am to 6pm. The shuttle bus departs the terminal around 20 minutes after each arrival, between the hours of 8am to 6pm, and takes passengers to Wellington Railway Station.

##### Bus from backpackers

In association with Base and YHA Backpackers, Interislander also offers a direct bus service to the Wellington terminal, at the small cost of \$3. Bus tickets must be pre-purchased from the Backpackers.

##### Taxis

Taxis provide an easy option to get to the departure terminal and are available on arrival outside the terminal. If there are no taxis waiting, terminal staff will order one for you.

##### Walking

The terminal is a 40 minute brisk walk along Aotea Quay. However, for your safety, we recommend one of the above options as there is no dedicated pedestrian crossing to the terminal across the busy highway.

## PICTON TERMINAL

### Coastal Pacific Connections

The Coastal Pacific train station is located within walking distance of the Interislander terminal. Passengers can make their way to or from the train station by following the marked footpath. The walk is approximately 5 minutes.

### Walking

For those on foot, the terminal is just a few minutes' walk from Picton town centre. Follow the blue line from the bottom of the main street past the i-Site to the terminal front doors.

### Accommodation Connections

For those staying locally, many accommodation providers offer a drop-off service. Enquire about this service with your preferred accommodation provider.

### Water Taxi Transport

Several water taxi companies operate from the Picton foreshore including Cougar line and Beachcomber cruises. Their location is a 10 – 15 minute walk from the front of the Interislander Terminal. Many of these companies offer a pick up from the commercial jetty adjacent to the Interislander terminal upon request. Enquire about this service when you make your water taxi reservations with your preferred operator.

### Taxi/Shuttle Service

Several local shuttle companies offer transfers to your destination as Picton does not currently have a dedicated taxi service. This service operates from the car park directly in front of the Picton terminal. If there are no shuttles or taxis waiting, Interislander staff will happily arrange one for you.

### Rental Cars

A wide range of rental car companies are located directly outside the terminal.

### Thank you for choosing to travel with Interislander.

### THINK TWICE BEFORE PRINTING

As part of Interislander's increased focus on environmental sustainability and our desire to create less waste, it is now no longer required to print this ticket to show at check-in. So long as you have your booking reference number handy, and photo ID if asked for, that will be sufficient. So help us along our path to greater sustainability and think twice before printing."

### TRAVELLING WITH ANIMALS

If you're travelling with a pet or animal, please make sure you're familiar with your responsibilities to ensure their welfare during the journey which can be found on our website.

Prior to travel, please make sure of the following:

- Your animal is healthy and fit to travel
- Your animal has enough space in your vehicle to travel in its normal posture. If you have a dog, kennels are available and can be booked by calling 0800 802 802.
- Your pet is well-fed, watered, toileted and exercised before boarding,

We may not be able to transport your animal if they're sick, unmanageable, considered unsafe or present a risk to themselves or others.

### TRAVELLING WITH HORSES/PONIES

If you're travelling with a horse, you will be required to check-in through our commercial vehicle check-in. For the Wellington commercial vehicle check-in, follow directions to the vehicle check-in until you see a sign which splits off to the commercial vehicle check in. For Picton, the commercial vehicle check-in is found on Lagoon Road, a different location to the standard vehicle check-in. When approaching from the main road (SH1), turn left on to Kent Street, continue to the roundabout and proceed straight through. Lagoon Road is 200m on the right and is sign posted to the Interislander Commercial Vehicle terminal
