

A brief missive from Lord Burt, Baron-at-Arms of Kaer Taghairm

It has come to my attention that some individuals have not taken the opportunity to appropriately welcome spring.

To this end, I propose that a Romp[•] be held on the Common on the last day of Autumn (November), 2003

RSVP: The last possible moment.

OOC: This event is not scheduled as an RTR, but has been included so that there is some awareness that the Common and it's inhabitants have not forgotten the source of dreams and their secrets.

[•] A minor festival involving the participation of pookas in their animal mien, their friends, and enchanted children and animals as befits the occasion. Traditionally, these festivals take place between the locally accepted hours of morning tea and afternoon tea.
